## SAFETY TIPS

### Protecting Your Privacy

#### Keeping an Eye on Your Private Information

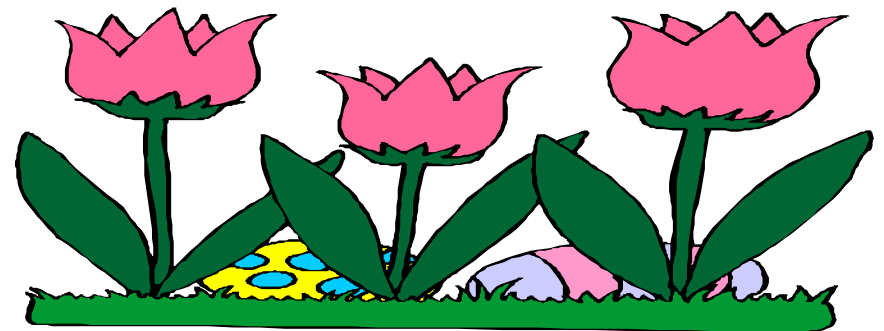

As our lives become more integrated with technology, keeping our private information confidential becomes more difficult. Electronic transactions can leave you vulnerable to fraud and other crimes. Here are a few simple tips.

- You are often required to use a password. The worst passwords to use are: first name, spouse's name, maiden name, pets or children's names, and street addresses. It is best to use a mix of numbers and letters – best is a password that is not found in the dictionary.
- The fewer people who have access to your codes and passwords the better.
  1. Change your password regularly.
  2. Memorize your password – if you have more than 1- set up a system to help you remember them. Do not tape them to your monitor or carry them in your wallet.
  3. If you have the choice, do not have a web site remember your password. Anyone using your computer would have access.
- Don't send confidential, financial, or personal information on your e-mail system.

## 100-Mile Walk for Canaan House

Canaan House is sponsoring a 100 mile walk fundraiser from Monday, April 9th until Sunday April 15th.

We will be leaving St. Michael's about 9:30 am on April 9 after a light breakfast and prayer service. One of our walkers will be approaching you about sponsorship, or you can walk any or all of the miles with us. A route is available at the back of the church.

Thus far, Remi Navy and Torrey Weekley have committed to trying the entire 100 miles with Shirley Trail, and would certainly appreciate your support in the form of a sponsorship.

St. Michael's will also be hosting the final dinner and celebration on April 15 at 5:30 pm. Prizes will be awarded and Sarah Tasker will be our keynote speaker.

## NEW MINISTRY AT ST. MICHAEL

Georgia Peden has asked the Church Secretary to help coordinate the materials. We would like to have a file for each member of the parish that will include a contact person, your doctor's name and hospital of choice, etc. We will keep this information confidential, but this is important if something should happen here at St. Michael's and we needed to call 911. With this information, you would be better taken care of. A form is included in this newsletter. If you haven't completed one, please do so and mail it to the church or if it would be easier for you, please call the office 836-0220 on Monday, Wednesday, or Friday between 8 am and noon and the Secretary will be happy to take your information.
