## RECALL

The Maker of all human beings is recalling all units manufactured, regardless of make or year, due to a serious defect in the primary and central component of the heart.

This is due to a malfunction in the original prototype units code named Adam and Eve, resulting in the reproduction of the same defect in all subsequent units.

This defect has been technically termed “Subsequential Internal Non-Morality,” or more commonly known as S.I.N., as it is primarily expressed.

Some other symptoms include:

1. Loss of direction
2. Foul vocal emissions
3. Amnesia of origin
4. Lack of peace and joy
5. Selfish or violent behavior
6. Depression or confusion in the mental component
7. Fearfulness
8. Idolatry
9. Rebellion

The Manufacturer, who is neither liable nor at fault for this defect, is providing factory-authorized repair and service free of charge to correct this SIN defect. The Repair Technician, Jesus, has most generously offered to bear the entire burden of the staggering cost of these repairs. There is no additional fee required.

The number to call for repair in all areas is: P-R-A-Y-E-R.

Once connected, please upload your burden of SIN through the REPENTANCE procedure. Next, download
